

# how you can reach us...

detail

## By Car

You arrive from **Berne, Zurich (A1)** or from **Bale (A3)** and leave the motorway on exit **Brugg**. Follow the signs for Brugg. At Brugg head towards **Koblentz/Zurzach** (see left map). When you reach **Döttingen**, turn right at the second traffic lights. Follow the road around the corner, cross the main street, connecting **Döttingen** and **Klingnau**, and find the small road to SwissNeutronics (see right map).

## By Car with GPS

When you arrive from **Zurich (A1)** the GPS system usually guides you via **Baden**. This is the shortest route but also more complex than the directions described above and therefore not recommended without GPS.

## By Train

Look for a connection from your location to **Doettingen** on the web [www.sbb.ch](http://www.sbb.ch).

At [sbb.ch](http://sbb.ch) switch to EN and ignore the tip to refine your request for Doettingen and hit search connection.

## By Plane

Go to [www.sbb.ch](http://www.sbb.ch) and look for a connection from "**Zurich Airport**" to "**Doettingen**", and click the 'Search connection' button. Take the train to **Zurich Main-Station (HB)**. There you change the train and go to **Baden**. In Baden change the train again heading for **Koblentz/Zurzach**. From Baden the railway crosses the stations of **Turgi** and **Siggenthal-Würenlingen**. The next stop is **Döttingen** where you should leave the train.

## On Foot

To walk from Döttingen train station to SwissNeutronics, see the green route in the right map. You can reach us within **5min afoot**.

- Bruehlstrasse 28 - CH-5313 Klingnau - Switzerland - phone: +4156 245 02 02 - [www.swissneutronics.ch](http://www.swissneutronics.ch)
